INNER CIRCLE FOSTER FAMILY AGENCY FISCAL COMPLIANCE ASSESSMENT

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Fiscal Compliance Assessment of Inner Circle Foster Family Agency (the FFA) in March 2015. The FFA has one licensed site in the Third Supervisorial District and provides services to the County of Los Angeles DCFS placed children. According to the FFA's program statement, its stated purpose is "to promote the growth of children and youth while strengthening the family unit."

At the time of review, the FFA supervised 96 DCFS placed children in 48 Certified Foster Homes. The placed children's average length of placement was 13 months and their average age was seven.

SUMMARY

CAD conducted a Fiscal Compliance Assessment which included an agency-wide review of the FFA's financial records such as financial statements, bank statements, check register and personnel files to determine the FFA's compliance with the terms, conditions and requirements of the FFA Agency contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State and County regulations and guidelines.

The FFA was in full compliance with 2 of 5 areas of the Fiscal Compliance Assessment: Financial Overview; and Loans, Advances and Investments.

CAD noted deficiencies in the areas of: Board of Directors and Business Influence, related to Board Meeting minutes not being certified by the Board Secretary; Cash/Expenditures, related to not reconciling items timely and the fixed asset inventory list was incomplete; and Payroll and Personnel, related to incomplete personnel files.

Attached are the details of CAD's review.

**INNER CIRCLE FOSTER FAMILY AGENCY
FISCAL COMPLIANCE ASSESSMENT REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The Fiscal Compliance Assessment included a review of Inner Circle Foster Family Agency's (the FFA's) financial records for the period of January 1, 2013 through January 31, 2015. The Contracts Administration Division (CAD) reviewed the financial statements, bank statements, check register and personnel files to determine the FFA's compliance with the terms, conditions and requirements of the Foster Family Agency contract, the Auditor-Controller Contract Accounting and Administration Handbook (A-C Handbook) and other applicable federal, State and County regulations and guidelines.

The Fiscal Compliance Assessment review focused on five key areas of internal controls:

- Financial Overview,
- Loans, Advances and Investments,
- Board of Directors and Business Influence,
- Cash/Expenditures, and
- Payroll and Personnel.

The FFA's December 31, 2013, audited financial statements indicated negative net assets in the amount of \$128,507 and delinquent payroll taxes for tax years 2007 and 2008 in the amount of \$243,423 as a result of theft by a former employee. The FFA pressed criminal charges in 2013 and the employee was found guilty. The Internal Revenue Service (IRS) suspended collection efforts for the 2007 and 2008 delinquent payroll taxes.

The IRS tax transcripts for 2014 indicated that the FFA does not have outstanding payroll tax liabilities.

The FFA was in full compliance with 2 of 5 areas of the Fiscal Compliance Assessment: Financial Overview; and Loans, Advances and Investments.

FISCAL COMPLIANCE

CAD found the following areas out of compliance:

Board of Directors and Business Influence

- The Board Meeting minutes were not certified by the Board Secretary.

The Board Meeting minutes were approved during the subsequent meeting but not certified by the Board Secretary. The Board Secretary will certify one original copy of the minutes for each Board Meeting. All certified original copies will be filed accordingly.

Recommendation:

The FFA's management shall ensure that:

1. The Board Meeting minutes are certified by the Board Secretary.

Cash/Expenditures

- Three checks from 2013 and 2014 that totaled \$996 were outstanding as of January 31, 2015. The reconciliation of these items was not resolved timely.

These outstanding items were resolved subsequent to the fiscal review. The FFA's Director of Accounting will ensure that all future reconciliation of items is cleared in less than six months.

- The fixed assets inventory list was incomplete.

The purchase date and acquisition cost were missing. The FFA's Director of Accounting will update the fixed asset inventory list to include all required information.

Recommendations:

The FFA's management shall ensure that:

2. Outstanding items on the bank reconciliation report are resolved timely.
3. A complete fixed asset inventory list is maintained.

Payroll and Personnel

- 1 of 3 personnel files reviewed did not include current position, job description and rate of pay information. Additionally, all three files did not have Fair Labor Standards Act (FLSA) status of the employee.

The FFA's Human Resources Director will ensure that personnel files include all required information.

Recommendation:

The FFA's management shall ensure that:

4. Personnel files include current position, job description, rate of pay and the FLSA status of employees.

MOST RECENT FISCAL REVIEW CONDUCTED BY THE AUDITOR-CONTROLLER

The most recent fiscal review of the FFA was posted by the A-C on July 11, 2011. The A-C review identified \$6,516 in questioned costs. The A-C recommended the FFA strengthen its internal controls.

The FFA repaid DCFS the questioned costs.

NEXT FISCAL COMPLIANCE ASSESSMENT

The next Fiscal Compliance Assessment of the FFA will be conducted in County Fiscal Year 2015-2016.
